denvergov.org, the city's well-designed, easy-to-navigate digital hub. Computer-savvy motorists can erase vehicular debts and challenge tickets, all from their desktops. The site also makes municipal life run a little more smoothly -- and saves you a trip to the Webb building -- by offering everything from weather reports and City Council information to zoning maps and building-permit forms. The map section is of special interest to Denver-philes, thanks to cool, interactive images taken from planes flying above the city. Welcome to the City Beautiful.
